2.04 The terms and conditions of employment of any such position or classification added to the bargaining unit shall be the same as governed by this Agreement. 3.02 The Union shall notify the City in writing of any increase or decrease in the current dues. Such adjustment in the amount deducted by the City shall be made by the second deduction period following notification.

ACH Dues Remittance

All dues deductions shall be deposited via electronic ACH transfer payment into the commercial bank account of Ohio Council 8, AFSCME, AFL-CIO no later than fifteen (15) days following the end of the pay period in which the deduction is made. The Union shall provide the Employer with authorization to make deposits into the financial institution utilized by the Union along with the routing number and account number of the Union's account. It is the Union's responsibility to notify the Employer in writing of any change to the Union's account information.

Additionally, the Employer shall email, with each deduction and transmittal of dues/fees, the following lists of information in Excel or Text, if possible, format to oc8dues@afscme8.org, subject line: Local 649, Pay date --/--/--:

For purposes of this Section, the term "City" includes the City of Maumee and its various officers and officials, whether elected or appointed.

3.05 Both the Employer and the Union intend that this Article be lawful in every respect. If any court of last resort determines any provision of this article illegal, that provision, alone, shall be void. Invalidation of any provision of this Article does not invalidate the remaining provisions. If a provision is judicially invalidated, the Employer and the Union shall meet within fourteen (14) calendar days after the entry of judgment to negotiate lawful, alternative provisions.

3.06 This article does not waive any of the Employer's rights to seek judicial review of any of its provisions at any time.

3.07 The Union warrants and guarantees to the Employer that no provision of this Article violates the constitution or laws of either the United States of America or the State of Ohio. Therefore, the Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions, or proceedings by any employee arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

3.08 If through the actions of an entity at the State or Federal level, the deduction of a fair share fee or other method of payment by nonunion members of the bargaining unit to the Union for representational services is reinstated, the parties agree that the language in sections 3.05, 3.06, 3.07, 2.08 and 3.09 of the 2015-2018 negotiation agreement shall be reactivated.

MANAGEMENT RIGHTS

4.01 Nothing in this Agreement shall be construed as delegating to others the authority conferred by law upon the Employer or in any way abridging or reducing such authority.

4.02 The Union recognizes that except as specifically limited or abrogated by the terms and provisions of the Agreement, all rights to manage, direct, or supervise the operations of the Employer and all of the employees are vested solely and exclusively with the Employer and/or his designated representatives.

4.04 In addition, the Union agrees that all of the functions, rights, powers, responsibilities and authority of the Employer in regard to the operation of its work and business and the direction of its work force which the Employer has not specifically abridged, deleted, granted, or modified by the express and specific written provisions of this Agreement are, and shall remain, exclusively those of the Employer and shall not be subject to the grievance procedure.

6.01 The Employer and the Union agree not to discriminate against any employee(s) on the basis of age, gender, gender identity, sexual orientation, race, religion, disability, marital status, national origin, or political affiliation.

6.02 Whenever the context so requires, the use of words herein in the singular shall be construed to include the plural, and words in the plural, the singular, and words whether in the masculine, feminine or neuter genders, shall be construed to include all of said genders. By the use of either the masculine or feminine genders, it is understood that said use is for convenience purposes only and is not to be interpreted to be discriminatory by reason of sex.

6.03 The Employer agrees not to discriminate against employees on the basis of Union membership or legitimate Union activity in accordance with this Agreement.

6.04 The Union agrees not to discriminate against employees who are not members of the Union.

ARTICLE 7 [Intentionally Left Blank]

NO STRIKE

ARTICLE 8

8.01 The Employer and the Union agree that the grievance procedures provided herein are adequate to provide a fair and final determination of all grievances arising under this Agreement. It is the desire of the Employer and the Union to avoid work stoppage and strikes.

8.02 Neither the Union, nor any member of the bargaining unit, for the duration of this Agreement, shall directly or indirectly call, sanction, encourage, finance, participate, or assist in any way in any strike, slow-down, walkout, concerted sick leave, work stoppage, or other unlawful interference with the normal operations of the Employer for the duration of this Agreement. A breach of this Article shall be sufficient grounds for discipline.

8.03 The Union shall, at all times, cooperate with the Employer in continuing operations in a normal manner and shall actively discourage any violation of this Article. In the event of a violation of this Article, the Union shall promptly notify all employees in a reasonable and expeditious manner, within a twenty-four (24) hour period, that the strike, work stoppage or slowdown, or other unlawful interference with normal operations of the Employer is in violation of this Agreement, unlawful, and not sanctioned or approved of by the Union. The Union shall advise the employees to return to work immediately.

8.04 The Employer shall not lock out any employee during the term of this Agreement.

HOURS OF WORK

ARTICLE 9

9.01 The work week and hours of work for covered employees shall normally be eight (8) hours per day, five (5) days per week, Monday through Friday, and fifty-two (52) weeks per year. Affected employees and the Union shall be informed in writing five (5) working days in advance of changes in work schedules when such changes are required.

9.02 All full-time non-clerical employees shall be granted one (1) fifteen (15) minute break period each one-half (1/2) shift, to be taken at the work site. The break period shall be scheduled by the Employer as close as possible to the middle of each one-half (1/2) shift. This may be modified, as needed, by the Department Director or Designee to accommodate changing seasonal work schedules, upon agreement with the Union.

All full-time clerical employees shall be permitted to take reasonable breaks at the work site as the work schedule permits.

9.03 Work schedules will not be modified for the sole purpose of avoiding overtime, or without reasonable notice to the Union.

SICK LEAVE

ARTICLE 10

10.01 Sick leave shall be defined as an absence with pay necessitated by:

- (1) Illness or injury to the employee;
- (2) Exposure of the employee to contagious disease communicable to other employees;
- (3) The illness or injury of a member of the employee's immediate family, as defined herein, where the employee's presence is reasonably necessary;
- (4) Attendance at medical, dental, or optical appointments; or
- (5) Death of a relative of an employee.

10.02 Immediate family is hereby defined, for purposes of sick leave as: parent; step-parent; sibling; step-sibling; spouse; child, step-child; grandparent; and grandchild.

10.03 All full-time employees shall accrue sick leave at the rate of 4.0 hours when in pay status during not less than 50% of all hours for which the employee is regularly scheduled in the pay

period, unless such absence from pay status is a result of disciplinary action of more than one (1) day.

10.04 Sick leave may be used in not less than whole hours with a fraction of an hour being counted as the next full hour.

10.05 No payment of salaries or wages shall be made to an employee for any period of absence or sick leave unless and until approved by the Department Director or designee. In addition, thereto, the Department Director or designee, in any case, may demand verification of the nature of the illness, injury, or absence before granting approval.

10.06 When an employee repeatedly takes up to sixteen (16) hours of sick leave without certification of inability to work by a duly licensed physician or medical authority, and when such sick leave taken without certification of inability to work exceeds five (5) days or forty (40) hours within a payroll year, the employee shall be granted sick leave for any additional hours off during that payroll year only upon certification of inability to work by a licensed physician or medical authority.

10.07 Any absence from duty as a result of a claimed illness or injury may be verified, during the employee's normal working hours, by an authorized representative of the city.

10.08 Except on a regularly scheduled working day before or after a holiday and subject to the provisions of Sections 10.01 and 10.06 hereof, sixteen (16) consecutive hours of sick leave may be taken without certification of inability to work by a duly licensed physician or medical authority.

An employee will not be considered to be in pay status for such regularly scheduled working days if such working days coincide with a calendar holiday as listed in this Agreement if such employee is on sick leave, unless said employee is excused upon presentation of a certificate of inability to work by a duly licensed physician or medical authority.

10.09 Verification of ability to return to duty shall be submitted upon and as a condition of return to duty and shall indicate:

- (1) The date of the employee's return to duty;
- (2) That the employee is not disabled from the performance of normal duties;
- (3) That the employee is able to perform the material and substantial duties of the assigned position; and/or
- (4) That the employee's return to duty will not jeopardize the health and safety of other employees.

10.10 In all instances, the immediate Supervisor or Department Director or designee shall be notified before the employee's starting time for each absence.

10.11 If upon an employee's return to duty, said employee fails to submit the required sick leave approval form, the requested and/or required medical certification, or the Department Director or designee finds there is not satisfactory evidence to justify the employee's absence, such leave shall be considered an unauthorized leave and shall be without pay.

Such Department Director or designee may, in any case of use of sick leave, demand proof of the nature of such illness, disability, or absence prior to approving the sick leave request.

10.12 Any abuse, patterned or excessive use, or falsification of reasons for use of sick leave shall be just and sufficient cause for disciplinary action or dismissal.

10.13 Sick leave shall accumulate at a rate specified herein for a total not to exceed one thousand nine hundred and twenty (1,920) hours. Such accumulation shall include hours earned and unused while employed by the City of Maumee and any hours transferred at the time of employment from any other political subdivision or agency of the State of Ohio.

Employees who transfer sick leave hours to the City shall continue to accumulate City sick leave when they reach 1920 hours total sick leave accumulation and have the transferred sick leave reduced until the employee reaches 1920 hours of sick leave accumulated with the City.

10.14 Sick leave hours used shall be the hours last accrued.

10.15 Each employee when in pay status for at least 50% of all regularly scheduled hours in each payroll period for the entire payroll year, meaning they were an employee of the City on day one of payroll one of the payroll year, shall be entitled, during the following year, to additional bonus vacation according to the following schedule:

FOR EACH THIRTEEN PAY PERIOD INCREMENT:

SICK LEAVE USED	BONUS VACATION HOURS
0	20
4	18
8	16
12	14
16	12
20	10
24	8
28	6
32	4
36	2

However, absences due to injuries sustained while on duty with the City shall not be counted in determining eligibility for bonus vacation.

10.16 Employees may, instead of bonus vacation, convert the sick leave bonus to cash. The conversion shall be of the amount of bonus vacation earned under the above schedule. The employee must designate in writing each year on forms provided by the Finance Department whether such employee desires to have the sick leave bonus in time off as bonus vacation or as pay at the employee's rate of pay in effect on December 31st of the immediately concluded year.

10.17 In addition to the above, an employee who has five hundred (500) hours or more of sick leave, earned and unused while employed by the City may, upon completion of the sick leave conversion form provided by the Finance Department request to convert the earned but unused sick leave to cash at the rate of one (1) hour of pay for two (2) hours of sick leave. Conversion of unused sick leave shall be of the sick leave accrued the previous payroll year ending with the last full pay period. The conversion shall only apply to the hours accrued in the previous payroll year and an employee shall not be permitted to convert the hours which would place the employee's accrued sick leave balance earned and unused while employed by the City of Maumee under five hundred (500) hours.

Any sick leave hours not converted shall continue to be accrued subject to the limitation set forth in Section 10.14 above. Said conversion shall be paid by the first pay period in February of each year for the prior payroll year's accrued sick leave designated for conversion by the employee on forms provided by the Finance Department.

10.18 An employee shall not be considered on sick leave on scheduled day(s) off and holidays unless regularly assigned to duty on such holidays.

10.19 At the Employer's sole discretion, with the employee's agreement, on a case-by-case basis, an employee who is otherwise eligible for sick leave, may be eligible for light duty, if available, in his department. This light duty, if offered at all, shall be secondary to, and not impede, light duty for work-related injuries.

10.20 Members of the bargaining unit may donate sick leave to a fellow employee who is otherwise eligible to accrue and use sick leave under the current collective bargaining agreement. The intent of the Leave Donation Program is to allow members of the bargaining unit to voluntarily aid to their co-workers who are in critical need of leave due to a non-work-related serious illness or injury of the employee. Sick leave donation is limited to bargaining unit members.

(A) A member of the bargaining unit may receive donated sick leave, up to the number of hours the member is scheduled to work each pay period or as provided in (A)(4) below, if the member who is to receive the donated sick leave:

- (1) Has a serious illness or injury verified by a licensed medical doctor;
- (2) Has no accrued leave;
- (3) Has not been approved to receive other benefits; and
- (4) Has applied for any paid leave, or benefits programs for which the member is eligible. A member who has applied for these programs may use donated sick leave to satisfy any waiting period for such benefits, when applicable.

- (B) Members may donate sick leave if the donating member:
- (1) Voluntarily elects to donate sick leave and does so with the understanding that the donated leave will not be returned;
 - (2) Donates a minimum of eight (8) hours; and
 - (3) Retains a sick leave balance of at least two-hundred forty (240) hours.

(C) The sick leave donation program shall be administered on a pay period by pay period basis. Members using donated sick leave shall not be considered in active pay status and shall not accrue leave while receiving donated leave. Holidays shall be taken hour for hour as they fall, and the member shall not be charged sick leave on that day. Donated sick leave shall not count toward the probationary period of an employee who receives donated sick leave during his or her probationary period. Donated sick leave shall never be converted to a cash benefit.

(D) Members who wish to donate sick leave shall certify on a form provided by the City:

- (1) The name of the employee for whom the donated sick leave is intended;
- (2) The number of hours to be donated;
- (3) That the donating member will have a residual sick leave balance of two-hundred forty (240) hours after said donation; and
- (4) That the sick leave is donated voluntarily and the member understands that the donated sick leave will not be returned.

(E) No member shall be forced to donate sick leave. The City or the Union may inform other members of the critical need for the donation of sick leave. Neither the Union nor the City shall directly solicit sick leave donations from members. The donation shall occur strictly on a voluntary basis.

(F) No employee may receive more than four-hundred eighty (480) hours of donated sick leave during their employment with the City. This donated time shall count toward the six (6) months of unpaid leave time under Article 19.

ARTICLE 11 [Intentionally Left Blank]

INJURY LEAVE

ARTICLE 12

12.01 In the event a regular covered employee is absent due to a disabling injury incurred on duty under such circumstances as would cause such injury or disability to be compensable under the Worker's Compensation Laws of the State of Ohio, the employee shall be carried on the payroll of the City for the period of disability provided the extent of the injury or disability prevents such

person from performing those duties as may be assigned and, provided further, such period shall not exceed sixty (60), eight (8) hour, work days.

In order to be eligible, the employee must submit a City Employee injury report and a written statement from the attending physician or medical authority which:

- (1) Verifies the disability;
- (2) Indicates the cause of the injury;
- (3) Indicates that the employee is unable to perform the assigned duties and/or any workplace restrictions based upon job site analysis; and,
- (4) States the employee's expected date of return to duty.

12.02 In the event the Bureau of Worker's Compensation should deny any claim as not being sustained in the course of and arising out of employment, disability pay charged to injury leave shall be charged to sick leave.

In the event an employee has an insufficient number of accumulated sick leave hours to cover the number of hours charged to injury leave, a claim for which having been denied by the State of Ohio Bureau of Worker's Compensation, said employee's next regular pay check shall be reduced by an amount equal to the hours not covered by sick leave, not to exceed 25% of gross pay or another arrangement approved by the Director of Finance which may include repayment from sick leave to be accrued until the City is repaid for time utilized and advanced by the City.

12.03 If an employee returns to work prior to expiration of the original sixty (60) workdays and then is disabled at a later date due to the same injury incurred under the same terms and conditions as set forth in Section 12.01 above, including a written statement from an attending physician or medical authority:

- (1) Verifying the disability;
- (2) Its cause by an earlier injury;
- (3) That the employee is unable to perform the assigned duties and/or any workplace restrictions based upon job site analysis; and
- (4) The date when such employee may resume performing the assigned duties, the employee may use the unused portion of the sixty (60) working days until such injury leave is exhausted.

12.04 An employee, only on an approved injury leave as set forth above, may, at the City's discretion, be required to work or be assigned other duties or limited duty, including an alternative schedule (7:00 a.m. through 5:00 p.m.), during the period of disability at the employee's regular

rate of compensation provided, in the opinion of a physician or medical authority, the employee is sufficiently recovered from such injury to perform the duties assigned.

12.05 In the event of a service-connected injury while in the active discharge of duty, and for which the employee shall be entitled to temporary total payments from the Worker's Compensation Bureau, the employee shall receive his full pay as an advance for a period not to exceed sixty (60), eight (8) hour, work days. On a case by case basis, and in the sole discretion of the Employer, such wage continuation may be continued for a period determined by the Employer.

Employees who are injured while on duty shall, as a condition of receiving injury leave, file for the Worker's Compensation benefits according to the Worker's Compensation Law and regulations. Such filing shall, at the City's discretion, include requests for any available temporary total compensation program designed to compensate workers for lost wages. Copies of all filings shall be submitted to the City.

Notwithstanding any other provision in this agreement, an employee, only on an approved injury leave as set forth above, may, at the City's sole discretion, be required as part of a transitional work program to work or be assigned other duties or limited duty, including an alternative schedule, performed within the hours normally worked by bargaining unit members (7:00 a.m. through 5:00 p.m.), during the period of disability at the employee's regular rate of compensation, provided, in the opinion of a physician or medical authority, the employee is sufficiently recovered from such injury to perform the duties as assigned.

The employee must submit all temporary total compensation benefits to the City which the employee receives from the Bureau of Worker's Compensation for the period the employee is receiving wages from the City for injury leave or any sick leave the employee elects to use as a result of the injury.

12.06 An employee who has exhausted paid injury leave hereunder and elects to receive temporary total disability benefits directly from the Bureau of Worker's Compensation, shall be placed on Worker's Compensation leave until such time that the City determines it is necessary to fill such position on a permanent basis. An employee on Worker's Compensation leave shall not be considered to be in pay status with the City, but shall receive only health and life insurance provided that any applicable employee contribution for such coverage has been prepaid through the Director of Finance.

12.07 Injury leave shall be granted in not less than whole hours with a fraction of an hour being counted as the next full hour.

ARTICLE 13 [Intentionally Left Blank]

CIVIC LEAVE

ARTICLE 14

14.01 All covered employees of the City will be granted, upon written request from the employee, civic leave upon the terms and conditions set forth herein.

14.02 Whenever any covered employee is required to be absent from work by a summons for jury duty or by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses which compels the employee's presence as a witness, unless the employee is a party to the proceedings or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular rate of pay to comply with the summons or subpoena; provided, the employee presents evidence of having served as a juror or witness; and provided further, that such employee has submitted a copy of the summons or subpoena to the Department Director or designee prior to the date the employee will be required to be absent from work.

MILITARY LEAVE

ARTICLE 15

15.01 Any bargaining unit employee who is a member of the National Guard or any reserve component of the Armed Forces of the United States will be entitled to a military leave in accordance with applicable federal and state statutes.

PERSONAL LEAVE

ARTICLE 16

16.01 Covered full-time employees may request and receive a maximum of forty (40) hours of personal leave with pay during each calendar year, provided that the employee has completed ninety (90) calendar days of employment. Personal leave shall be prorated during the first calendar year of employment for new employees. Written requests for use of personal leave shall be submitted to the Department Director or designee except in emergency situations which must be phoned in. However, all requests for personal leave must be approved by the Department Director or designee before said employee is pre-authorized to be absent from duty.

37.05

Procedure

- (1) **Step One**
An employee having a grievance may pursue such grievance by submitting a written grievance form to the immediate supervisor within seven (7) workdays of the event or circumstances giving rise to the grievance, or seven (7) workdays of the date, in the exercise of reasonable diligence, of the employee's knowledge of the occurrence of the grievance.

The supervisor shall meet with the grievant to discuss the matter within five (5) days. Within three (3) days of the meeting, the supervisor shall provide a written response to the grievance. Such a response shall be given to the grievant, the Union, and the Division Head. If not satisfied with the supervisor's response, the grievant may proceed to Step Two.

- (2) **Step Two**

An employee having a grievance which was not resolved at Step One may pursue the grievance by submitting an appeal to the Division Head within five (5) days following the grievant's receipt of the response at Step One. Within five (5) days after receipt of the appeal, the Division Head, or designated representative of the Division Head, if he so chooses, may schedule and conduct a hearing with the grievant.

The Division Head, or designee, shall provide the grievant and Union with a written disposition of the grievance within seven (7) days of the filing of the grievance, or within three (3) days after the hearing, if held. In the event the grievant's Division Head is also the grievant's immediate supervisor, and there has been compliance with Step One of this procedure, the grievance may proceed directly to Step Three of this procedure.

(3) Step Three

If the grievant is not satisfied with the disposition received from Step Two, the grievant may submit the grievance to the Department Director or designee within five (5) days of the receipt of the Division Head's written disposition. Such Department Director or designee may schedule and conduct a hearing with the grievant within ten (10) days after receipt of the grievant's appeal; and, within five (5) days after such hearing, if held, or ten (10) days after the receipt of the grievance, if no hearing was held, the Department Director or designee shall provide the grievant and Union with a written disposition on the grievance. In the event the grievant's immediate supervisor is the Department Director or designee and there has been compliance with Step One, the grievance may proceed directly to Arbitration.

- (4) Grievance mediation shall take place prior to going to arbitration upon mutual agreement of the parties.

37.06 Arbitration Procedure

- (1) In the event a grievance is unresolved as a result of Step Three of the Grievance Procedure, the Union may, within ten (10) days of the receipt of the written response from the Department Director or designee, submit the grievance to arbitration giving written notice to the Department Director or designee. The Union shall contact the appropriate arbitrator from the list and schedule a hearing within forty-five (45) days of the date the notice was sent to the Department Director or designee.
- (2) The arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the specific terms of this Agreement.

- (3) The arbitrator shall not decide more than one (1) grievance on the same hearing day or series of hearing days, except by the mutual agreement of the parties.
- (4) The fees and expenses of the arbitrator shall be borne by the party losing the grievance. All other expenses shall be borne by the party incurring them.
- (5) Witnesses shall suffer no loss of pay for participation in such hearing if such hearing occurs during normal working hours.
- (6) The decision of the arbitrator shall be final and binding upon the parties.
- (7) There is hereby created a permanent panel of arbitrators to be used for the selection of arbitrators pursuant to this Arbitration Procedure. The arbitrators placed on this panel shall be:
 - (1) Dennis Minni
 - (2) Anna DuVal Smith
 - (3) Dr. David Pincus
 - (4) Robert Stein
 - (5) Nels Nelson
- (8) The parties shall attempt to mutually agree upon an arbitrator from the above panel; if no agreement is reached names shall be alternately stricken until one remains.

CORRECTIVE ACTION

ARTICLE 38

38.01 The City will follow a five (5) step progressive corrective action policy subject to the provisions of paragraph number 2, below consisting of:

- (1) Verbal warning (with written documentation);
- (2) Written warning;
- (3) Suspension of five (5) days or less;
- (4) Suspension of more than five (5) days;
- (5) Discharge.

Discipline will normally progress through the degrees; however, any level may be repeated or, depending upon the nature of the offense, levels may be passed over. Each person may

review his permanent file upon request and may have a copy of any information contained therein. Records of verbal and written reprimands may be expunged, upon written request, from an employee's record after one (1) year. Records of suspensions of five (5) days or less may be expunged upon written request after two (2) years. Suspensions of more than five (5) days may only be expunged, upon written request, after three (3) years. Any such expungement shall be subject to the following criteria:

- (1) There has been no occurrence of a similar type incident within the respective time periods and;
- (2) The Law Director has given written approval after determination that such expungement will not adversely impact upon the City's legal position in any pending or reasonably foreseeable subsequent court action.

38.02 When an employee is charged with an offense, such employee shall be entitled to a hearing to determine the validity of the charge. Such an employee shall be provided with a copy of the charges that have been alleged and the Division Head shall schedule a hearing within three (3) days to determine the facts of the case and the corrective action to be taken, if any. Written notice of the hearing shall be given to the employee and to the Union President.

38.03 The Union may appeal suspensions to the grievance procedure a Step Three and arbitration.

Before proceeding to arbitration, grievance mediation will be utilized by the parties. The timelines for filing a request for arbitration will be suspended subject to the mediation procedure.

The parties agree to use the services of the Federal Mediation Conciliation Service (FMCS), the State Employee Relations Board (SERB) or other mutually agreed upon mediation service. Notices of mediation requests are to be signed and forwarded to the mediator by the moving party.

The Union may be represented at the mediation by the President, the Chief Steward or a Steward designated by the President, the grievant and a representative of AFSCME Ohio Council 8. The City may in its discretion determine the number of the makeup of its representatives. Each party shall have one principal spokesperson at the mediation conference, who shall have the authority to resolve the grievance.

Any written material that is presented to the mediator shall be returned to the party presenting that material at the termination of the mediation conference.

The mediator may, however, retain one copy of the written material to be used solely for the purposes of statistical analysis.

Proceedings before the mediator shall be informal in nature. The presentation of evidence is not limited to that presented at the grievance proceedings, the rules of evidence will not apply, and no record of the mediation conference shall be made.

The mediator will have the authority to meet separately with any person or persons but will not have the authority to compel the resolution of the grievance.

39.01 Longevity pay shall be calculated and paid in accordance with the following:

39.02 All such longevity pay to which an employee is entitled shall be paid as a lump sum by the first payroll in February of each calendar year.

ARTICLE 40 [Intentionally Left Blank]

SAFETY EQUIPMENT

ARTICLE 41

41.01 The following items of approved safety and protective equipment shall be provided by the City and replaced as needed as determined by the Department Director or designee or designee:

- (1) gloves;
- (2) rain gear which includes rainboots;
- (3) earplugs or hearing protection;

- (4) safety goggles;
- (5) hard hats;
- (6) other safety equipment as determined by the Department Director or designee;
- (7) One (1) pair of overalls, per employee, in the Service Department to be replaced as needed at the sole discretion of the Department Director or designee.
- (8) Once annually, the Employer will reimburse each non clerical employee, upon presentation of a paid receipt, for approved work shoes. Such reimbursement shall not exceed \$200.00 per employee. The employee must be in active pay status at the time of the purchase.

Receipts for reimbursement shall be submitted between January 1 and March 30 of the current year and reflect a purchase date covered by that same time frame. Any receipt received outside that time frame will not be accepted for reimbursement.

- (9) The Employer shall reimburse the Service Department Laborer or Operator 50% of the cost over insurance coverage for prescription, safety eyeglasses (ANSI approved) to a maximum of \$35.00 every two (2) years.

41.02 The failure of an employee to utilize the above listed safety and protective equipment when assigned to duties which in the opinion of the supervisor requires the use of such equipment shall be cause for appropriate corrective action as set forth in Article 38. All safety and protective equipment provided for employees shall remain the property of the City of Maumee and shall only be used in the performance of official duties unless otherwise authorized by the Director of Public Service.

41.03 Non-clerical employees shall be required to wear uniforms when on the job upon the issuance of new uniforms.

41.04 City-issued uniforms may not be worn when an employee is not on the job.

WORKING OUT OF CLASSIFICATION

ARTICLE 42

42.01 With respect to casual Laborers and overtime, the parties agree that if a crew is assembled for work, and the Employer is aware of a reasonable likelihood that such will result in overtime, then no casual Laborers will be worked in an over-time capacity unless and until such overtime is first offered and refused by bargaining unit Laborers.

42.02 Any employee in an “acting” out of classification capacity (higher class) shall be entitled to an additional \$.50 per hour but shall not be assigned to the City issued pager/cell phone, if applicable.

OVERTIME COMPENSATION

ARTICLE 43

43.01 If approved by the Department Director, or designee all full-time employees shall receive, in addition to their base pay, overtime compensation for hours actually worked in excess of regularly scheduled hours in each work week. Compensation for overtime hours, in addition to base pay, shall be as follows:

- (1) For the first four (4) hours of continuous time after an employee has worked a full shift, *at* the rate of fifty percent (50%) of base pay.

For all hours of continuous time each workday after an employee has worked a full eight (8) hour shift, or any hours worked in excess of forty (40) in any work week, at the rate of fifty percent (50%) of base pay.

- (2) Any overtime incurred on holidays, as designated in Sections 21.01 through 21.03, shall be paid at the rate of one hundred percent (100%) of base pay.
- (3) Employees who work a regular Monday through Friday schedule pursuant to Article 9 (Hours of Work) of this Agreement:
 - (a) For all call out (non-scheduled) hours from 12:00 a.m. on Sunday until 12:00 a.m. Monday and on holidays on which an employee is not regularly scheduled to work, as defined by article 21, at the rate of one hundred percent (100%) of base pay.

43.02 Full-time employees may receive, in lieu of said overtime, time off with pay at the rate so specified above; provided, however, that any such time off with pay be scheduled subject to the approval of the Department Director or designee to which such employee is assigned and further subject to the following conditions:

- (1) Such compensatory time shall be given in lieu of pay, and if the daily overtime meets or exceeds eight (8) hours, may be split equally between pay and compensatory time to the nearest whole hour.
- (2) Compensatory time which is unscheduled as time off may be accrued by an employee up to an amount not to exceed eighty (80) hours at any one time.

Any overtime hours worked which would result in an excess of eighty (80) hours unscheduled compensatory time shall be paid on the pay date for the pay period in which the hours were worked and consistent with paragraph (1) above.

- (3) Compensatory time may be taken as time off, upon approval, and written confirmation, or scheduled off provided no more than two hundred (200) hours of such compensatory time can be taken in any payroll year.

43.03 For purposes of this Article, "regular shift" shall mean the eight (8) hour work day to which the employee is regularly scheduled to work, and actually worked, "full shift" shall mean eight (8) consecutive hours of duty, and "continuous time" shall begin when the employee starts to work and shall not be deemed interrupted by a lunch period or a rest period. In overtime situations, time taken as breaks or lunch periods shall not be paid.

43.04 As set forth in Section 43.01, full-time employees shall receive said overtime compensation for no less than three (3) hours, when called out for duty not scheduled in advance or not abutting or overlapping their scheduled duties; provided however, that all subsequent callouts for such employee which fall within three (3) hours of the first callout shall be counted as a part thereof. In the event that a Supervisor calls out an employee inconsistent with Sections 43.06 and 43.07 and then recalls the employee to cancel the callout, such employee shall be compensated with one (1) hour of overtime at the applicable rate. In the event that the called-out employee reports for work before the error is corrected, said employee shall be compensated for three (3) hours at the applicable overtime rate provided that the employee remains at the place of work for three (3) hours or the period of the callout, whichever is the lesser. Should the employee not remain at the place of work after such a callout by error, said employee shall be compensated for one (1) hour at the overtime rate.

There shall be no pyramiding of overtime as a result of this section, and any employee performing a station check shall not be entitled to additional overtime when on callout overtime.

43.05 The Employer shall not be required to call employees on military leave, sick leave, funeral leave, or injury leave until after that employee reports for the next regularly scheduled shift. Employees on all other approved leaves, while in pay status, shall be eligible for overtime.

The Employer shall not be charged with a violation for inadvertent mistakes of this section.

43.06 For overtime outside the normal workday:

Opportunity to work overtime shall be distributed as equally as practical among employees in the same position classifications within a general working group, starting with the callout crew and then by fewest recorded overtime hours and then by most seniority in the event of a tie. Laborers may be utilized for appropriate overtime work. Eligibility shall be in conformance with Article 25.05.

For the purposes of this section, there shall be three "general working groups" defined as follows: Sewer; Water; and Service.

Clerical overtime within a specific division shall be distributed as equally as possible among employees in that specific division who are qualified to perform the specific task.

Clerical overtime resulting from job continuation in a specific division shall be first offered to personnel within the specific division who performed the specific task on that particular day.

43.07 The callout crew for the Service working group shall consist of three (3) operators who shall be called out on the basis of fewest overtime hours and then by most seniority. The callout crews for the Sewer and the Water working groups shall consist of one (1) operator each.

Employee substituting shall be allowed on the callout crew under the listed terms only:

- (1) The substitution must be approved by the appropriate supervisor, not later than noon on Monday for the week the requested substitution takes effect.
- (2) The hours for callout priority shall be established on Monday of each week.
- (3) Substitutions must be made before scheduled overtime is announced to be effective for the scheduled overtime. ("Scheduled overtime" shall be defined to be any overtime announced within the normal workday.)
- (4) Payment for callout crew will be made to those assigned; adjustments for substitutions must be handled between the affected employees.
- (5) Any employee who participates on the callout crew, including station checks, must provide the appropriate supervisor with a valid and up to date phone number. Callout hours accrued shall be on the basis of all hours accepted.

43.09 Callout overtime for callout crews shall be mandatory for the first three hours of any callout. If any callout crew personnel rejects a callout, does not respond to a callout within 10 minutes of the time the call was made, or responds later than forty-five (45) minutes after the callout was made, said employee will be charged with three hours or the actual hours of the overtime worked, whichever is greater, at the appropriate rate.

43.10 When there are additional opportunities to work overtime, the employee or employees who accepted overtime before the start of the normal shift will receive a minimum of one (1) hour pay at the appropriate rate and be considered first to stay for such subsequent contiguous overtime opportunities in the general working group as defined in Section 43.06

43.11 An up-to-date record showing overtime hours worked and/or charged shall be posted on the first working day of each week in a prominent place accessible to employees. The overtime hours list shall be reset to zero (0) hours for each employee on the first Monday of July of each year.

Any person initially hired within a calendar year shall be listed on the overtime callout list with the number of hours equal to the highest number of hours for any employee in that position classification.

43.12 If more employees are required for overtime than are available within a working group, priority shall be from all other working groups collectively on the basis of Article 43.06.

43.13 In the event that an insufficient number of employees accept overtime, the employee within the general working group with the least seniority in the position classification required to perform the overtime shall be assigned to work the available overtime. Any employee so required to perform the overtime on a designated holiday as defined in Section 21.01 shall be entitled to a rate of one hundred percent (100%) of base pay.

43.14 An employee accepting callout overtime must report to the assigned workplace within forty-five (45) minutes of being called. Failure to report within the time limit will result in ineligibility for that overtime callout and appropriate charges. An employee who accepts scheduled overtime and fails to report at the appropriate starting time shall be ineligible for that overtime but shall be charged for the hours.

43.15 No employee shall be eligible to work more than fourteen (14) consecutive clock hours in any pay status. Upon completion of fourteen (14) consecutive clock hours in any pay status, an employee shall be ineligible for any additional hours until the completion of a mandatory four (4) hour rest period. The rest period may be extended to a maximum of eight (8) hours at the option of the employee.

Upon completion of the rest period, the employee shall report back to his regularly scheduled shift, or may elect to return for additional overtime duty, at a rate of 50% of base rate, as appropriate. If pursuant to this section, an employee is off for a portion of his regular shift, such employee will receive straight time wages for that portion of the shift which is the mandatory rest period. Any additional portion of the rest period will have to be taken by the employee through use of available leave time.

43.16 Where overtime is the continuation of the employee's regular shift, such employee shall be permitted a one-half (1/2) hour break after the completion of two (2) hours beyond the regular shift. In addition, all employees when working overtime shall be permitted an additional one-half (1/2) hour break after the completion of each four (4) hours of work without a break. An employee who has "clocked out," exclusive of the call out crew, on a particular day, may be eligible for continuation overtime. A reasonable attempt may be made to contact employees in the general working groups of water and sewer, due to the limited number of employees.

43.17 Overtime distribution for clerical employees shall follow the above procedure except that references to a callout crew shall not apply.

43.18 Any employee aggrieved hereunder shall be limited in remedy to being offered the next available overtime in an equal amount (exclusive of callout crew) but otherwise in conformity with the above, unless the conduct under which the grievance arises was intentional or violated a routine process, at which time another remedy may be appropriate.

43.19 Employees assigned to a callout crew shall be paid a weekly stipend of one hundred dollars (\$100.00) and assigned a City issued cell phone. Failure to respond to two (2) or more callout assignments during that week shall require the employee to forfeit the stipend.

Employees assigned to the callout crew shall be responsible for returning the City issued cell phone at the end of the weekly assignment.

The first incident where the employee fails to return the City issued cell phone at the end of the weekly assignment, or if the City issued cell phone is lost, stolen, or damaged, shall require the employee to reimburse the City cost of the City issued cell phone up to the amount of the stipend.

If additional incidents where the employee fails to return the City issued cell phone occur within the same calendar year, the employee shall forfeit the full stipend for that particular week.

A police report shall be filed immediately by the employee in the case of a lost, stolen, or damaged City issued cell phone.

If the weekly City issued cell phone assignment is followed by a Monday holiday, and a callout is necessary on that holiday or before the City issued cell phone can actually be reassigned, the following procedure shall be followed:

a. The supervisor shall call the employee at home, or at another number(s) provided by the employee.

i. Failure of the employee to respond in the allotted time will not result in hours being charged; however, rejection of the overtime by such employee will result in the hours being charged to the employee.

43.20 The pool of employees that operate the sweeper shall be qualified and eligible from the Service working group.

DRUG / ALCOHOL TESTING

ARTICLE 53

Under no circumstances may the results of drug/alcohol screening/testing be released to a third party. The following procedure shall not preclude the Employer from other administrative action, but such actions shall not be based solely upon the test results.

53.02 All drug/alcohol screening tests shall be conducted by medical laboratories or persons licensed by the State of Ohio. The procedure utilized by the test lab or person shall include a chain of custody procedure and mass spectroscopy confirmation (drugs only) of any positive initial screening. The cost of any random drug and/or alcohol testing of an employee, beyond the initial testing and return to work testing, shall be the responsibility of the employee.

53.03 Drug screening tests shall be given to employees to detect the illegal use of a controlled substance as defined in the Federal Drug Free Workplace Act. 53.04 Upon the findings of positive test results for use of substances in a manner which violates this Article, the Employer shall conduct an internal investigation to determine if facts exist to support the conclusion that the employee knowingly used a substance in a manner which violated this Article. Upon the conclusion of such investigation, the Employer shall have the right to disciplinary action. The Employer may require the employee to participate in a rehabilitation or detoxification program, as determined by appropriate medical personnel. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick leave, vacation leave, and personal days for the period of the rehabilitation or detoxification program. An employee who participates in an out-patient initial program of rehabilitation or detoxification may be offered work in a classification not requiring the use of motorized equipment, if available, provided the employee executes a conditional return to work agreement (Appendix B-1). If no such leave credits are available, such employee shall be placed on a medical leave of absence without pay for the period of the rehabilitation or detoxification program. Upon completion of an initial program and a demonstration that the employee is no longer using a substance in a manner which violates this Article, the employee shall be returned to a comparable position. Employees will not normally be disciplined or discharged without first being offered the opportunity of receiving treatment for such abuse. If the employee fails to properly and fully participate in and complete a treatment program approved by the Employer or after the completion of such program the employee is still abusing or resumes abusing such substances, the employee shall be disciplined or discharged.

54.02 Employees may voluntarily utilize this program with or without referral. Such voluntary use shall not be the sole basis for adverse disciplinary action or discrimination in employment. Leaves of absence without pay may, at the Employer's discretion, be granted in coordination with the EAP where appropriate. All employee dealings with the EAP shall be strictly confidential.

54.03 This Article shall not operate to limit the Employer's right to discipline or discharge an employee for actions committed by the employee as a result of substance abuse in violation of Article 53, the conditional return to work agreement, the return to a comparable position agreement on duty misconduct, or otherwise. Participation in the EAP shall not limit the Employer's right to impose such disciplinary (or discharge) actions. An employee's participation in the EAP does not operate to waive any other rights granted by this Agreement.

54.03 Notwithstanding any other provision herein, the Employer may require an employee, in lieu of discipline, to undergo social or psychological counseling, in a program of the Employer's choosing, when the City, in good faith, reasonably believes that such counseling is necessary or desirable to maintain adequate job performance by such employee. The Employer shall pay only the difference between the cost of the counseling and the amount covered under the employee health care, after the payment of appropriate deductible and co-pays.
