

Drug Drop Available At Maumee Police Station

Prescription drug abuse is the fastest growing drug problem in the United States today. In addition, 40 percent of those who currently abuse heroin started their addictions with the abuse of prescription drugs. These drugs can be misused, abused, stolen and even accidentally ingested. Therefore, it is vital that we dispose of any unused, expired or unwanted prescription drugs in the proper manner.

For the convenience of the community, the Maumee Police Division has a permanent collection box in the lobby of the police station, located at 109 E. Dudley St. The box can accept pills only for disposal and is available 24 hours a day, seven days a week for the public to utilize. We ask that you please do your part to keep these easily abused drugs off the street and out of the wrong hands.
