
Traffic switch announced

Project ID: 99731

Interstate 475, between Airport Highway and U.S. Route 24, Maumee, will experience lane restrictions for I-475 widening and construction of a new interchange at U.S. Route 20A through December 2024. Additional restrictions will be announced.

New Announcements

Northbound I-475 traffic will be moved to temporary lanes just north of the Maumee River, before US 24. Traffic will travel adjacent to southbound traffic separated by barrier wall. Traffic will remain in this configuration for most of 2023.

- The traffic switch will begin between 8-9 p.m. on Friday, November 18.
- During the weekend of November 18-20, I-475 will be reduced to one lane. All northbound ramps will be closed between US 24 and Airport Hwy. (except northbound I-475 to eastbound US 24) for some duration during the weekend. Not all ramps will be closed for the entire weekend. We hope to provide a more detailed timeline of these ramp closures in the Nov. 17 publication.
 - Northbound I-475 to westbound US 24 will be closed.
 - Eastbound/Westbound US 24 on-ramps to northbound I-475 will be closed.
 - Northbound I-475 exit ramp to Salisbury/Dussel will be closed.
 - Salisbury/Dussel on-ramps to northbound I-475 will be closed.
 - Northbound I-475 exit ramp to Airport Hwy. will be closed.
 - Airport Hwy. on-ramps to northbound I-475 will be closed.
 - *Northbound I-475 to eastbound US 24 exit ramp will remain open.
- Following the traffic switch, the ramp from westbound US 24 to northbound I-475 will remain closed for one year. **Detour:** Westbound US 24 to southbound I-475 on-ramp to eastbound US 24 to northbound I-475 on-ramp. Alternate: Westbound US 24 to Fallen Timbers Ln. to eastbound US 24 to northbound I-475.
- The posted speed limit within this active construction zone is 50mph. Please protect the safety of all roadside workers by abiding by the legally posted speed limit.
