RETIREMENT

In 2011 Officer Jackie Wegman retired after 26 years of service. Jackie enjoyed assignments in the Detective Bureau and School Resource Officer. She was also on the bicycle patrol unit and served for a number of years as FOP/OLC President.

INTERNSHIP/RIDE-ALONG

In 2011, the Division hosted five interns. Two were from the University of Toledo who completed 240 hours, respectively. We also hosted one student from BGSU for 480 hours, and two students from Maumee High School who each spent 120 hours. The students observed officers at the patrol level, investigations, and assisted in various aspects of police operations.

Additionally, several students and professionals also participated in the police division ride-along program where citizens were able to ride in a marked police cruiser and observe an officer in his/her daily duties.

BULLETPROOF VEST GRANT

The Maumee Police Division participated in the US Department of Justice bulletproof vest partnership grant. The Division purchased four bulletproof ballistic vests for officers in 2011 and was reimbursed a total of \$1,500.00.

OVI SATURATION PATROL

As a member of the Lucas County OVI Task Force, the Maumee Police Division once again conducted grant funded OVI saturation patrols in 2011. These patrols were directed toward identifying and apprehending motorists who drive while under the influence of alcohol and/or drugs of abuse.

Saturation patrols were conducted on a monthly basis and totaled 127 hours in 2011. One-hundred and forty-five traffic stops made, 61 traffic citations issued, 84 warnings given, and five OVI arrests were made. Additionally, \$6,855.12 in personnel costs were reimbursed to the City of Maumee from the OVI task force grant for saturation patrols.

SOBRIETY CHECKPOINT

As a member of the Lucas County OVI Task Force, the division conducted an OVI checkpoint in October of 2011 on US 24 (AWT) at Country Blvd. A total of 567 vehicles entered the sobriety checkpoint. Four subjects were arrested for Driving Under Suspension, two other subjects were arrested on outstanding warrants and three "other" traffic citations were issued. Assisting the Maumee Police Division were members from The Ohio State Highway Patrol, and volunteers from the Maumee Citizen Police Academy. We received reimbursement funds in the amount of \$2,397.82 from the Task Force.

DARE

This year DARE was taught to 486 students in fifth and seventh grades. The fifth grade program culminated the graduation ceremony at the MHS Performing Arts Center. Charlie's Dodge continues to provide the Maumee DARE program with a donated vehicle with graphics. The program continued to receive funding assistance from the State of Ohio Attorney General's Office with a grant award of \$14,239.00

BIKE SAFETY RODEO

Seventy-two children participated in the rodeo free of charge. This past May Maumee Police Division Bike Officers and Citizen Police Academy Volunteers assisted the crime prevention staff by inspecting each bike, conducting safety checks, and making repair recommendations. Bicycle helmets were given away free of charge to any cyclist or skateboarder who needed a helmet.

THIRD GRADE SEAT BELT

Once again in 2011 we taught 212 third grade students the importance of seat belt use. This program continues to be funded by grant dollars from the Ohio Department of Public Safety. We received \$848.00 for this educational program.

AUTOMATED LICENSE PLATE READER

In April, Council voted to accept this technology provided for through grant funds awarded by the Ohio Homeland Security Department. This camera / computer equipment has proved to be a valuable tool in recovering stolen auto's and identifying wanted persons. The Division was featured in a fall edition of Car and Driver magazine regarding this technology

Accidents

The first pages in this section highlight the 10 most hazardous intersections in Maumee. There was a tie for the second and eighth positions.

<u>2011</u>	<u>2010</u>	<u>INTERSECTION</u>	<u>NUMBER</u>
1	3	Anthony Wayne Trail & Conant St.	37
2	1	Anthony Wayne Trail & I-475	36
2	4	Anthony Wayne Trail & Gibbs St.	26
3	6	Dussel Dr. & Reynolds Rd.	24
4	2	Anthony Wayne Trail & Monclova Rd.	20
5	8	Anthony Wayne Trail & Fallen Timbers Ln.	19
5		Holland Rd. & Reynolds Rd.	19
6		Anthony Wayne Trail & Key St.	15
6	5	I-475 & W. Dussel Dr.	15
7		Ford St. & W. Dussel Dr.	14
7	8	Holland Rd. & W. Dussel Dr.	14

Accidents

The number of accidents at the most hazardous intersection decreased from 45 in 2010 to 37 in 2011. The total number of accidents in the 10 most hazardous intersections also decreased, from 248 in 2010 to 239 in 2011. There were 4 two-way ties in 2011; second place, fifth place, sixth place, and seventh place.

Two intersections dropped from the list this year: the Anthony Wayne Trail & Ford St. and Conant St. & E Indiana Ave. Three intersections were added: Holland Rd. & Reynolds Rd., the Anthony Wayne Trail & Key St., and Ford St. & W. Dussel Dr (construction most of the year).

There was one fatal accident in 2011 that occurred at the Anthony Wayne Trail & Town St.

Two of the twenty-one accidents involving deer occurred at the Anthony Wayne Trail and I-475 compared to seven of thirty-three last year.

CRIME PREVENTION SECTOR ASSIGNMENTS

A, B, C & D Sector.....Officer Jillian Urbanski

Officer Jillian Urbanski handled all sector assignments for Crime Prevention. Officer Urbanski and Officer Jeff Medere are Crime Prevention Specialist Certified and maintain their certifications by attending continuing education classes.

ARE YOU OK? PROGRAM

For twenty-two years the Maumee Police Division has operated the "Are You O.K.?" program. Known as R.U.O.K., the program continues to check the safety of our senior citizens as well as our hotel night clerks and gas station attendants. Each participant receives a daily or nightly call checking on his or her safety. A police officer is sent to check their safety if there is no answer or continuous busy signal.

The program has helped many participants since its inception. The program currently has eleven individual subscribers, along with nine hotels and five gas stations.

CHILD SAFETY SEAT CHECKS

The Maumee Police Division has two officers who are certified technicians in child seat safety. Officers are certified through Safe Kids Coalition, Child Passenger Safety Training Program. This training enables the Maumee Police Division to provide our community with highly trained experts in the proper installation and implementation of child car seats.

In 2011, Officers performed twenty child safety seat checks.

SEAT BELT SAFETY

The Crime Prevention Officers taught the Third Grade Safety Belt Program to all third grade students in the Maumee School District including St. Joseph's Catholic School. Two hundred twelve students received practical training in the Ohio Department of Public Safety education program. The program encompassed the proper use of seat belts, statistics about accidents/seatbelt usage, and information on air bags. Each child received material and information to share with their family members. As part of the program, each student was deputized as Seat Belt Deputies as they pledged to wear their seat belt.

SAFETY CITY

The City of Maumee Safety City program celebrated its 32nd year in 2011. Ninety-seven children participated in the summer program to help prepare four and five year olds to safely attend kindergarten. Safety City consisted of classroom instruction, crafts, songs, and practical exercises in vehicle and pedestrian safety. Lessons were conducted on our miniature Safety City equipped with streets, crosswalks, traffic signals, railroad tracks, and faux buildings. Safety City consisted of 2 sessions per day over a two week period in June. The sessions lasted 2-1/2 hours each day.

The staff included two Maumee Police Officers, two teachers, and 18 high school student volunteers. Safety City is located at Wayne Trail Elementary School.

The Maumee Police Division and Maumee Board of Education sponsor Safety City. McDonald's (Conant St.), Motophoto (Foundation Park), and the Maumee Municipal Court support the program through donated products and services. St. Luke's Hospital provides each graduate of Maumee Safety City with a bike helmet.

This year the new motorized jeeps were purchased using funds donated by the Maumee Rotary.

D.A.R.E. PROGRAM

The DARE program provides the students with the tools necessary to make the right decisions when it comes to alcohol, tobacco, and other drug choices. It is taught in three elementary and one middle school. The DARE program was taught to 486 students in the fifth and seventh grades. The fifth grade program culminated with two separate graduation ceremonies, one for Maumee Public Schools and another for St. Joseph's and St. Patrick's Schools.

The Division was able to include St. Patrick's of Heatherdowns in our Fifth Grade DARE Program as we took advantage of an officer's temporary restricted duty assignment to the Crime Prevention Office in 2011.

Our Maumee DARE officer had a booth at the Maumee Uptown Fair. Many of the area DARE students attended this event and DARE night at Ohio Skate, which provided an opportunity to reinforce the DARE drug free choice.

Charlie's Dodge continued to provide the Maumee DARE program with a donated vehicle with graphics.

BIKE SAFETY

Bike safety/education is an important part of the Maumee crime prevention program. A bike rodeo was held in May at Fairfield Park. Approximately seventy-two children participated in the rodeo free of charge. Maumee Police Division Bike Officers, Citizen Police Academy Volunteers, Safe Kids volunteers, as well as volunteers from TAB (Toledo Area Bicyclists) assisted the crime prevention staff by inspecting each bike, conducting safety checks and making repair recommendations. Cyclists participated in an agility course to test their skills.

Those who attended received a safety packet and bicycle helmets were given away free of charge to any cyclist who needed a helmet.

The Maumee Police Division participated in the Maumee Municipal Court's Bike Helmet Reward Program. The Court, under the leadership of Judge Gary Byers, supplied area police officers with coupons. When the officers observed children wearing bike helmets, they provided them with the coupon good for a free ice cream cone. These coupons have helped to increase the use of bike helmets by cyclists, skateboarders, and roller-bladers.

The Maumee Police Division continues to provide bike licenses free of charge. A licensed bike enables an owner to be identified and the bike returned when found or recovered.

Investigations

MAJOR INVESTIGATIONS

The detective bureau conducted a sexual assault investigation that involved a female being assaulted by a foreign national. The detectives located and identified four undocumented Mexican nationals, collected their DNA samples and submitted those samples to the Combined DNA Index System (CODIS). The foreign nationals had to be tracked for the next six months waiting for the DNA to be processed and compared. The suspect was ultimately identified and arrested, he is currently awaiting trial.

Detectives investigated embezzlement from a Maumee business of approx. \$50,000. That case evolved into other investigations involving the same employee stealing the credit cards of the victim businesses patrons. This investigation is ongoing and the total loss is growing daily.

Investigations

SEX CRIMES

RAPE

There were four reported cases of rape in 2011. Two of the cases were cleared by arrest and prosecution of the suspect. One case was referred to other jurisdiction when it was determined that the offense occurred there, and the last was determined to be unfounded.

SEXUAL EXPOSURE

Two cases of persons exposing themselves were reported to the police division. One case was cleared by exception when the suspect was referred for mental evaluation. The second suspect has never been identified.

SEXUAL IMPOSITION

Three cases of sexual imposition were reported. Two cases were cleared by arrest. The third case was declined for prosecution by the prosecutor's office due to the case being reported several years after the fact.

Investigations

ROBBERY

One business robbery was investigated in 2011. No suspect has been developed in this case, and it remains a pending investigation.

One robbery of a person was reported. This case was cleared when it was determined to be a false police report to conceal a theft committed by the reporting person.

RESIDENTIAL BURGLARY

Eighteen residential burglaries were assigned for investigation. Five of these cases have been cleared by arrest of suspects. All of these suspects were identified by the collection of forensic evidence at the crime scene by detectives.

BREAKING AND ENTERING TO BUSINESS

Six cases were assigned for investigation. Two of these cases are still awaiting evaluation of evidence, collected at the crime scene, at the state crime lab.

PERSONNEL CHANGES MADE IN 2011

Ptl. Kelly Miller was assigned to the detective bureau to fill the vacancy left by the reassignment of Ptl. Paul LaPlante to the position of School Resource Officer.

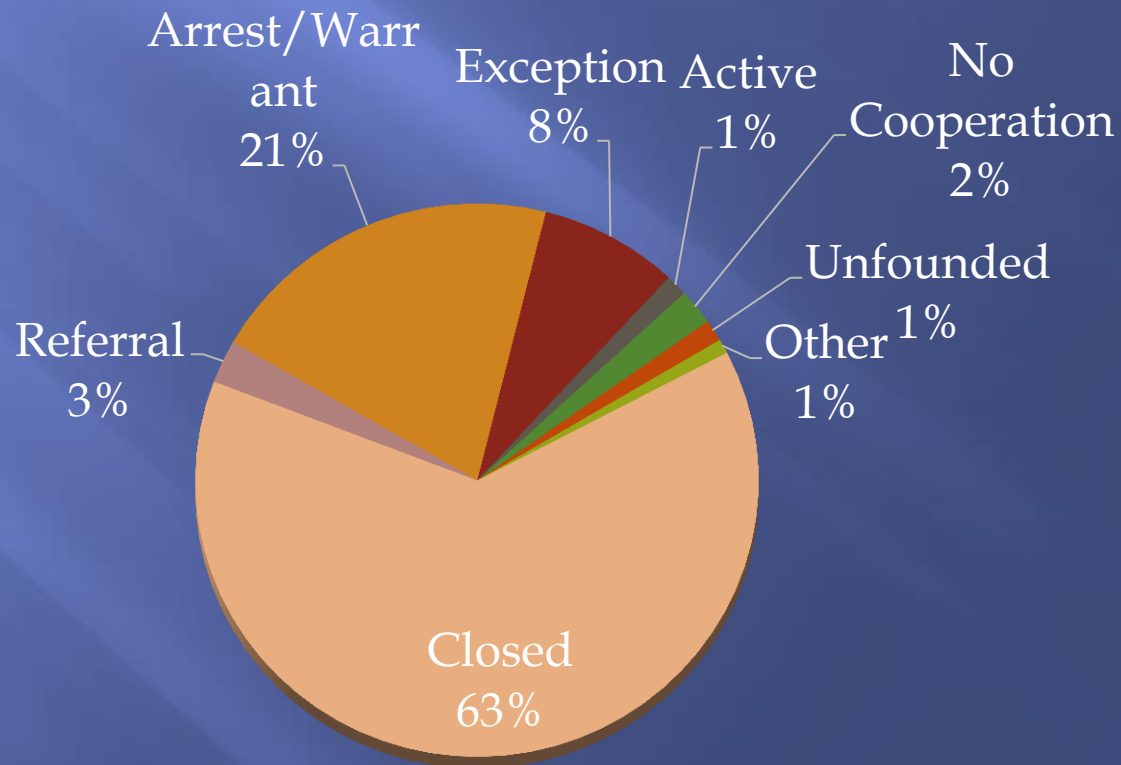

Investigations

Detective Bureau Case Status Summary

238 Cases Assigned for Investigation

Includes Only Cases Assigned to Investigators and SROs.

Closed Cases Includes Leads Exhausted or No Leads

Investigations

This was the 10th year for the School Resource Officer (SRO) Program in the City of Maumee. Officer Paul LaPlante worked as the SRO for Maumee High School and Gateway Middle School.

The goal of the SRO Program is to provide a resource of law enforcement knowledge to the students and teachers, plus work closely with school administration on law enforcement issues. The SRO's duties include campus security/safety and working with school personnel and students on problems related to law enforcement and community services. Other duties include classroom instruction on such topics as alcohol and drug prevention, violence, crime prevention, and safety programs as well as other criminal law related topics. A substantial amount of time is spent by the SRO's utilizing alternative dispute resolution with students, teaching them problem solving skills and using arrest as a last resort.

Investigations

SRO LaPlante wrote 36 incident reports with 45 arrests from the beginning of the 2011 school year through the remainder of the 2011 calendar year. Many other incidents were referred either to outside agencies or the Maumee Police Division's Detective Bureau for follow-up. Officer LaPlante also received investigations from the road patrol and detective bureau for possible follow-up. The SRO reports are as follows:

Type of Reports	Gateway Middle School SRO Reports/Arrests	Maumee High School SRO Reports/Arrests
Alcohol offenses		2/2
Assault		5/6
Criminal Damaging		1/2
Disseminating Matter		1/2
Drug Abuse		3/4
Falsifying a Police Report		1/1
Safe School Violations	8/10	10/10
Suspicious Activity		3/0
TX Threats/Harassment		2/1
Theft		1/3
Trafficking in Drugs		1/2
Unruly Juvenile		1/1
Warrants		1/1

Investigations

The SRO sits in on the majority of the disciplinary meetings at the Maumee High School. When needed SRO LaPlante would sit in on disciplinary meetings or parent meetings at Gateway Middle School. This provides insight and behavioral recommendations at the discretion of the school administrators. The SRO also meets with school administrators, counselors, Don Adamski from Promedica and the In-School Reassignment (ISR) Supervisors on a daily basis. SRO LaPlante has also assisted on several suspension hearings at the Maumee Board of Education.

SRO LaPlante assisted in lockdown drills at Maumee High School and Wayne Trail Elementary. These were the only drills where the SRO was requested to participate.

Investigations

SRO LaPlante has been able to assist elementary school principals in situations ranging from consultations with students, safety/security issues and investigations of criminal complaints, parking complaints, and parent complaints. Principals have expressed their gratitude when SRO LaPlante has responded to these situations.

Investigations

Suspension and in school reassignment numbers at the Maumee High School and Gateway Middle School have substantially decreased over the past 4 years of the SRO program:

SUSPENSIONS	MAUMEE HS	GATEWAY
2011	310	157
2010	327	221
2009	399	273
2008	417	346

Contributing factors to the reduced suspension rate include reduced enrollment, district wide verification of residency, and a strong working relationship between the SRO and Maumee school administrators.

Investigations

The SRO is an integral part of the school organization, playing a special role in each school day. Not only do SRO's enforce local and state laws, but also their visibility in many classrooms and talking with students in non-enforcement situations creates a fabric of understanding upon which the stability of the whole school community rests. This cooperative effort, integrated with the total school program, helps to build a strong relationship between the SRO and the students of the Maumee School District.
