CITIZEN POLICE ACADEMY

The Police Division hosted our sixth Citizen Police Academy from September thru November 2013. The course consisted of 4 hour sessions of training over 9 weeks. Forty-one members of the community participated and graduated from the CPA.

CRIME PREVENTION SPECIALIST

The Maumee Police Division maintains two officers certified as Crime Prevention Specialists. These officers maintain their certification by attending continuing education classes.

ARE YOU OK? PROGRAM

For twenty-four years the Maumee Police Division has operated the “Are You O.K.?” program. Known as R.U.O.K., the program checks the safety of our senior citizens as well as our hotel night clerks and gas station attendants. Each participant receives a daily or nightly call checking on his or her safety. A police crew is sent to check the safety if there is no answer or a continuous busy signal.

The program has helped many residents since its inception. The program then expanded to check the safety of 24-hour gas station employees and hotel desk clerks. The program currently has eight individual subscribers, along with ten hotels and four gas stations.

Crime Prevention

CHILD SAFETY SEAT CHECKS

The Maumee Police Division has two officers that are certified technicians in child passenger restraints. They are certified through Safe Kids Coalition, Child Passenger Safety Training Program. This training enables the Maumee Police Division to provide our community with highly trained experts in the proper installation and implementation of child car seats.

In 2013, twenty-four child safety seat checks were performed for citizens working or living within the City of Maumee.

SEAT BELT SAFETY

The Crime Prevention Officers taught the Third Grade Safety Belt Program to all third grade students in the Maumee School District including St. Joseph's Catholic School. Two hundred eleven students received practical training in the Ohio Department of Public Safety education program. The program encompassed the proper use of seat belts, statistics about accidents/seatbelt usage, and information on air bags. Each child received material and information to share with their family members. As part of the program, each student was deputized as Seat Belt Deputies as they pledged to wear their seat belt.

Crime Prevention

SAFETY CITY

The City of Maumee Safety City program celebrated its 34th year in 2013. One hundred thirteen children participated in the summer program to help prepare four and five year olds to safely attend kindergarten. Safety City consisted of classroom instruction, crafts, songs, and practical exercises in vehicle and pedestrian safety. Lessons were conducted on our miniature Safety City equipped with streets, crosswalks, traffic signals, railroad tracks, and faux buildings. Safety City consisted of 2 sessions per day over a two week period in June. The sessions lasted 2-1/2 hours each day.

The staff included two Maumee Police Officers, two teachers, and 18 high school and middle school student volunteers. Safety City is located at Wayne Trail Elementary School.

The Maumee Police Division and Maumee Board of Education sponsor Safety City. McDonald's (Conant St.) and the Maumee Municipal Court support the program through donated products and services. St. Luke's Hospital provides each graduate of Maumee Safety City with a bicycle safety helmet.

Crime Prevention

THE D.A.R.E. PROGRAM

The DARE program provides the students with the tools necessary to make the right decisions when it comes to alcohol, tobacco, other drugs, and violence. It is taught at Wayne Trail Elementary School, Gateway Middle School, and St. Joseph's Maumee School. The DARE program was taught to three-hundred sixty-one students in the fifth and seventh grades this year. The fifth grade program culminated with two separate graduation ceremonies. The first graduation took place at Wayne Trail Elementary School and the second at St. Joseph's School in Maumee.

The Maumee DARE officer also had a booth at the Maumee Uptown Fair. Many of the area DARE students attended this event along with DARE night at Ohio Skate, which provided an opportunity to reinforce the DARE drug-free choice.

Charlie's Dodge continues to provide the Maumee DARE program with a donated vehicle with graphics.

The Maumee Police Division received a grant from the Ohio Attorney General's Office in the total amount of \$18,466.99 in order to help defer the cost of teaching the DARE program in the Maumee school system.

In July 2013, the program received a new DARE Officer. The Officer had previously been DARE trained and certified. She then completed updated training to continue educating our youth about the dangers of drug use.

Crime Prevention

BIKE SAFETY

Bike safety/education is an important part of the Maumee crime prevention program. A bike rodeo was held in May at Fairfield Park. Forty-nine children participated in the rodeo free of charge. Maumee Police Division Bike Officers, Citizen Police Academy Volunteers, Safe Kids volunteers, as well as volunteers from TAB (Toledo Area bicyclists) assisted the crime prevention staff by inspecting each bike, conducting safety checks and making repair recommendations. Cyclists participated in an agility course to test their skills.

Those who attended received a safety packet and bicycle helmets were given away free of charge to any cyclist who needed a helmet.

The Maumee Police Division participated in the Maumee Municipal Court's Bike Helmet Reward Program. The Court, under the leadership of Judge Gary Byers, supplied area police officers with coupons. When the officers observe children wearing bike helmets, they provided them with the coupon which is good for a free ice cream cone. These coupons have helped to increase the use of bike helmets by cyclists, skateboarders, and even those on roller-blades.

The Maumee Police Division continues to provide bike licenses free of charge. A licensed bike enables an owner to be identified and the bike returned when found or recovered.

Investigations

This was the 12th year for the School Resource Officer (SRO) Program in the City of Maumee. The SRO was assigned to Maumee High School and Gateway Middle School. A second SRO was added in the fall of 2013 to work exclusively at Gateway Middle school.

The SRO generated (31) incident reports with (29) arrests during the 2013 school year. Investigations were assigned from the road patrol and detective bureau for possible follow-up and all incidents that involved Maumee students were included in this summary.

Investigations

The SRO reports are as follows:

Type of Reports	Gateway Middle School SRO Reports/Arrests	Maumee High School SRO Reports/Arrests
Alcohol offenses		1 / 2
Assault	1 / 1	1 / 1
Criminal Mischief		1 / 1

2013 Total	15 / 14	16 / 15

Investigations

The SRO attends the majority of the disciplinary meetings at the Maumee High School. When needed the SRO sits in on disciplinary meetings or parent meetings at Gateway Middle School. This provides insight and behavioral recommendations at the discretion of the school administrators. The SRO also meets with school administrators, counselors, the In-School Reassignment (ISR) Supervisors, and students on a daily basis. Our SRO has also assisted on several suspension hearings at the Maumee Board of Education.

During the 2012 year under the supervision of Lieutenant Jeff Siebenaler, the SRO assisted in establishing the A.L.I.C.E program for the Maumee City Schools. This included Maumee City School district-wide instruction and individual building instruction. The process is still ongoing to get the program fully functional but a strong foundation has been set within the district for the program. The upcoming year will include further building and individual teacher assistance and then running A.L.I.C.E drills with teachers and students.

Investigations

The school resource officer attended disciplinary meetings, suspension hearings and parent meetings at the Maumee High School and Gateway Middle School. This participation was a valuable contribution in developing behavioral recommendations to the school administrators. The SRO also met with school administrators, counselors, the In-School Reassignment (ISR) Supervisors, and students on a daily basis.

During the 2013 season at the start of the school year A.L.I.C.E (alert, lockdown, inform, counter, evaluate) drills were performed at the Maumee High School with teachers and staff. These drills were the final product of the training Maumee City School staff received in the previous year.

Investigations

Furthermore, the SRO has been able to assist elementary school principals in situations ranging from consultations with students, safety/security issues, and investigations of criminal complaints, parking complaints, and parent complaints.

The SRO has become an important resource for school administration, staff, and the students of the district. The visibility created by the SRO and the positive interaction with the staff and students of the district confirms the strong partnership that exists between the Maumee Schools and the Maumee Police Division. The SRO position has also continued to be a great tool in gathering information about criminal activity within the City of Maumee.
