We have been thrilled with the response, speed, and professionalism of the officers. We NEVER received this kind of service when we were in Toledo. Thank-you!

Officers are regularly patrolling the Meijer parking lot. We ask that when doing so, they keep an eye on our equipment.

Overall, the division does a great job in the City. We appreciate the work they do for us.

I know your job is more demanding today. Your officers serve us well in dealing with it.

Patrol Sophia for fast drivers, license plates, registration.

Comments

We have always thought very highly of the Maumee police and the visibility they provide in our community.

It does seem the theft and burglary incidents are on the rise.

Thank-you for keeping by employees and my business and myself safe!

Nothing but positive accolades for the police.

Sector B

Comments

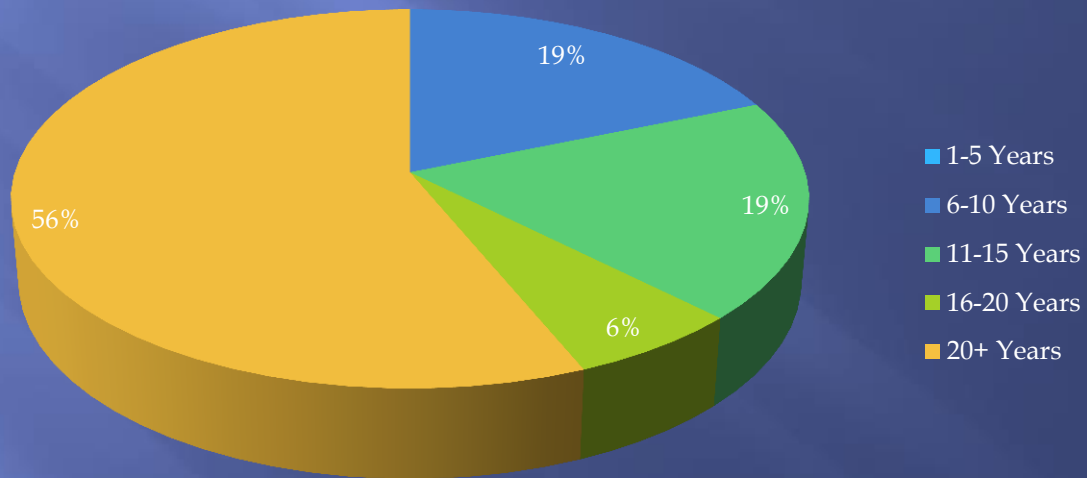

The socializing that takes place in a business should also be done with others such as Maumee Police. It keeps the visibility positive and professional.

Change the speed limit on River Rd to 35MPH.
