I called to report my lost wallet. Ptl Tucker took the report. He was very helpful, patient and courteous.

We have a great Police Department. I have never had a negative experience with any officer. We have the coolest "cop cars" around.

I was stopped for a brake light out. Nice officer. I got the light repaired. Did not get cited!

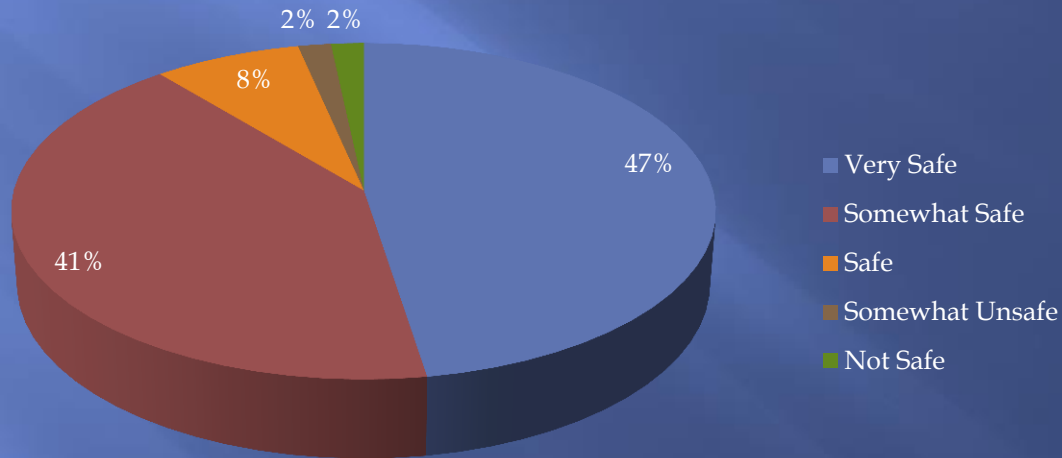

Officers who assisted my son who has mental health issues were very understanding and helpful.

Police officers controlled ex-wife while I removed my belongings from my residence, after a domestic situation.

### Outstanding Police Department

We would like a curfew set for teenagers that would reduce vandalism.

We appreciate when patrol officers are friendly and talk with the kids.

I feel uncomfortable when solicitors come to my door. Officers have reassured me that I will remain safe.

I'm Citizen Police Academy graduate!

I enjoy chatting with our police officers at city functions such as fireworks and up town festivals.

We could use more street lighting on Appomattox Dr.
