

INSTRUCTIONS TO FILE ESTIMATED TAXES

Every taxpayer having or anticipating any income under withheld or not subject to local Withholding by Employer, must file a declaration setting forth the estimated annual income, together with an estimate of the amount of tax due if the amount payable is at least \$200. If you are uncertain as to whether or not you should pay estimates, please phone the income tax office at 419-897-7120.

The taxpayer's annual estimated tax liability shall be multiplied by 22-1/2%, 45%, 67-1/2% and 90% to determine the estimated quarterly tax to be paid. A taxpayer may amend a declaration and the unpaid balance shown due shall be paid in equal installments on or before the remaining due dates.
