Unless presented with and agreed to an employment contract, your employment is at-will. At-will means that the city may terminate your employment at any time, with or without cause or advance notice, as long as we do not violate federal or state laws.

Sometimes the city may need to change, add, cancel policies and/or benefits. We want you to know that this could happen, and that the city has the right to make changes. The only exception is that the city will not change its employment-at-will policy.

1 through 22 in Section 1.01 above are considered salaried employees and as such are not eligible for overtime and/or compensatory time unless their hours worked exceed 50 hours in a work week. However, designated holidays shall be considered hours worked for the purpose of calculating compensatory time.

All other non-exempted, covered, eligible employees shall be eligible for overtime compensation and/or compensatory if their hours actually worked exceed 40 hours in a work

week as suggested in the Federal Fair Labor Standards Act (FLSA). However, designated holidays shall be considered hours worked for the purpose of calculating overtime. Generally, these employee's work hours shall be eight (8) hours per day, five (5) days per week, and fifty-two (52) weeks per year. However, there may be a time necessary when these hours may need to and may be adjusted in the best interests of the city.

1.02 The hours of work for covered employees not eligible for overtime compensation (Exempt), by Section 12.02, Compensatory time accrual at straight time, herein shall be after said employee actually works in excess of fifty (50) hours per week, on average, although hours may be more or less depending on whether duty necessitates.

1.03 Subject to prior approval by a supervisor in consultation with the appropriate Director, hours worked for eligible employees, over fifty (50) hours in any may be generally taken as time off during the next eight (8) pay periods.

All additional accruals and/or time off for eligible and/or non-eligible employees shall be recommended to the appropriate Director by each Chief or Supervisor as the situation warrants.

SICK LEAVE

SECTION 2

2.01 Sick leave shall be defined as an absence with pay necessitated by:

- (1) Illness or injury to the employee.
- (2) Exposure of the employee to contagious disease communicable to other employees.
- (3) The illness or injury of a member of the employee's immediate family, as defined herein, where the employee's presence is reasonably necessary.
- (4) Death of a relative of an employee.

2.02 Immediate family is hereby defined, for purposes of sick leave, as:

- | | |
|------------------|-----------------|
| (1) Parent | (7) Step-child |
| (2) Step-parent | (8) Grandparent |
| (3) Sibling | (9) Grandchild |
| (4) Step-sibling | |
| (5) Spouse | |
| (6) Child | |

2.03 All covered employees who were hired on or before December 31, 2022, shall accrue sick leave at the rate of four (4) hours per pay period. All employees who were hired on or after January 1, 2023, shall accrue sick leave at a rate of three (3) hours per pay period. No employee shall accrue sick hours if their time off is otherwise unpaid, currently using sick leave, and/or said time off is a condition of a disciplinary action.

2.04 Sick leave shall be used in whole hours increments rounded up.

2.05 No payment of salaries or wages shall be made to an employee for any period of absence or sick leave unless and until approved by the appropriate Director and the City Administrator or the Administrator's designee. The appropriate Department Director and/or City Administrator may require a licensed physician's verification of such illness, injury, or absence before granting approval. Any abuse of sick leave may lead to disciplinary action up to and including termination. The Employer may request a medical examination by a physician of the employer's choosing. The employer may request a licensed Medical Practitioner statement from an employee and/or take disciplinary action where there is an indication of abuse of sick leave or excessive use. The Employer may also request a medical examination by a physician of the employer's choosing. If the Employer requires a second opinion, the cost of such examination shall be paid by the city.

2.06 Any absence from duty as a result of a claimed illness or injury may be verified, during the employee's normal working hours, by an authorized representative of the city. Employees may also be eligible for FMLA for which the employee may request, or the employer may designate the leave as referenced in Section 29 of this ordinance.

2.07 A licensed medical doctor's certification may be required if sick leave is used for a workday prior or after a holiday listed in Section 5.

2.08 In all instances, the immediate supervisor or Department Director shall be notified before the employee's starting time for each day of absence except for those days previously approved.

2.09 If upon an employee's return to duty said employee fails to submit the required sick leave approval form, the requested and/or required medical certification, or the Department Director, or the Mayor in the case of a Department Director, finds there is not satisfactory evidence to justify the employee's absence, such leave may be considered an unauthorized leave and shall be without pay. The appropriate Department Director and/or City Administrator may, in any case, require a licensed physician's written verification of such illness, disability, or absences prior to approving the sick leave request.

2.10 Any abuse, patterned use, or falsification of reasons for use of sick leave shall be just and sufficient cause for disciplinary action up to and including termination even though no such cause is required.

2.11 For those employees hired prior to December 31, 2000, sick leave shall accrue at the rate specified herein and shall not exceed one thousand nine hundred and twenty (1,920) hours.

For those employees hired between January 1, 2001, and December 31, 2005, sick leave shall accumulate at the rate specified herein for a total not to exceed one thousand seven hundred and twenty (1,720).

For those employees hired between January 1, 2006, and December 31, 2010, sick leave shall accrue the rate specified herein for a total not to exceed one thousand five hundred and sixty (1,560) hours.

For those employees hired between January 1, 2011, and December 31, 2015, sick leave shall accrue at the rate specified herein for a total not to exceed one thousand and forty (1,040) hours.

For those employees hired on or after January 1, 2016, sick leave shall be accrued at the rate specified herein for a total not to exceed nine hundred and twenty (920) hours.

Such accumulation shall include hours earned and unused while employed by the City of Maumee and any hours transferred at the time of employment from any other municipality within the State of Ohio.

Employees hired on or after January 1, 2021, shall be allowed to transfer all their accumulated unused and unreimbursed sick leave from another Ohio municipality. However, if the total combined sick leave hours total more than the above referenced limits in 2.11 then the residual over and above may be banked until the combined sick leave total falls below that amount. At which time, the banked leave can be utilized until such time the total leave bank achieves the limits above but not paid out.

2.12 Employees who transferred sick leave hours to the city shall continue to accumulate city sick leave until such time that an employee's sick leave bank reaches the maximum combined jurisdictional accumulation as per the appropriate category above.

2.13 Sick leave hours used shall be the hours last accrued.

2.14 Each employee shall be entitled to an additional twenty (20) bonus vacation hours if said employee fails to use any sick leave during each preceding 13 pay periods in a payroll year, provided said employee is not off work for unpaid leaves of absence and/or administrative paid or unpaid leaves related to disciplinary matters. Commencing January 1, 2025 employees shall be entitled to forty (40) bonus vacation hours if said employee fails to use any sick leave during each preceding calendar year, provided said employee is not off work for unpaid leaves of absence and/or administrative paid or unpaid leaves related to disciplinary matters. First full year shall be January 1, 2024 through December 31, 2024 Those employees hired on or after December 31, 2022 will not be eligible for bonus vacation hours.

2.15 Employees may, instead of time off, convert the bonus vacation hours to cash. The conversion shall be of the amount of bonus vacation hours earned under the above schedule. Employees must designate, each year and in writing on forms provided by the Finance Department, whether the employee desires to have bonus vacation hours in time off as vacation or as pay at the employee's rate of pay in effect on December 31st of each year.

2.16 In addition to the above, an employee who has one hundred (100) hours or more of sick leave earned and unused, excluding transferred accrued time from another jurisdiction, while employed by the City of Maumee may, upon completion of a sick leave conversion form provided by the Finance Department, request to convert the earned but unused sick leave to cash at the rate of one (1) hour of pay for two (2) hours of sick leave. Conversion of unused sick leave shall be of the sick leave accrued during the previous payroll year ending with the

last full pay period. The conversion shall only apply to the hours accrued in the previous year and employees shall not be permitted to convert the hours which would place the employee's balance under one hundred (100) hours of sick leave earned and unused while employed by the City of Maumee. However, if an employee chooses the preceding payout, the number of sick leave accrual hours used for this cash conversion shall permanently reduce said employee's Maumee accrued sick leave accrual cap referenced in Section 2 of this document by the amount of sick leave used to calculate a payout either annually or at separation.

2.17 Any sick leave hours not converted shall continue to be accrued subject to the limitations set forth in Section 2. Said conversion shall be made by the first pay period in February of each year for the prior payroll year's accrued sick leave designated for conversion by the employee on the form provided by the Finance Department.

2.18 An employee shall not be considered on sick leave on scheduled day(s) off and holidays unless regularly assigned to duty on such days.

2.19 At the employer's sole discretion, light duty may be required.

INJURY LEAVE

SECTION 3

3.01 In the event a covered employee is absent due to a disabling injury incurred on duty, under such circumstances as would cause such injury or disability to be compensable under the Workers' Compensation Laws of the State of Ohio. 3.03 In the event the Bureau of Workers' Compensation should deny any claim as not being sustained during and arising out of employment, disability pay charged to injury leave shall be charged to sick leave if the employee has enough sick days to utilize a specific claim.

3.04 In the event an employee has an insufficient number of accumulated sick leave hours to cover the number of hours charged to injury leave, a claim for which having been denied by the State of Ohio Bureau of Workers' Compensation, said employee shall be provided an

opportunity for unpaid FMLA. Said employee's next regular paycheck and every check thereafter shall be reduced by an amount equal to the hours not covered by sick leave, not to exceed 50% of gross pay until the city is repaid for time utilized and advanced by the city.

3.05 If an employee returns to work prior to the expiration of the original four hundred eighty (480) hours and then is disabled later due to the same injury incurred under the same terms and conditions as set forth in Section 3.01 above including a written statement from an attending physician or medical authority:

- (1) Verifying the disability,
- (2) Its cause by an earlier injury,

3.06 An employee, only on an approved injury leave as set forth above, may, at the city's discretion, be required as part of a transitional work program to work or be assigned other duties or limited duty, including an alternative schedule, during the period of disability at the employee's regular rate of compensation, provided, in the opinion of a physician or medical authority, the employee is sufficiently recovered from such injury to perform the duties as assigned.

3.07 In the event of a service-connected injury while in the active discharge of duty and for which the employee is entitled to temporary total payments from the Workers' Compensation Bureau, the employee may, if approved by the City Administrator, receive his or her full pay from said employees sick or other leave bank for a period not to exceed four hundred eighty (480) hours on a case-by-case basis, and in the sole discretion of the employer, such wage continuation may be continued for a period determined by the employer.

3.08 Employees who are injured while on duty shall, as a condition of receiving injury leave, file for the Workers' Compensation benefits according to the Workers' Compensation law and regulations immediately. Such filing shall, at the city's discretion, include requests for any available temporary total compensation program designed to compensate workers for lost wages. Copies of all filings shall be submitted to the city. The employee must submit to the city all temporary total compensation which the employee receives from the Bureau of Workers' Compensation for the period the employee is receiving wages from the city for injury leave or any sick leave the employee elects to use as a result of the injury.

3.09 The requirement for reimbursement by the employee of temporary total compensation will cease at the time the city ceases injury leave payments and available sick leave is exhausted.

3.10 Injury leave shall be granted in not less than whole hours with a fraction of an hour being counted as the next full hour. No employee shall accrue leave time while off work for injury leave or worker compensation.

BEREAVEMENT LEAVE

SECTION 4

4.01 All covered employees will be granted up to a maximum of three (3) scheduled eight (8) hour working days of leave with pay at the affected employee's regular rate of pay to arrange and attend services of a deceased member of their immediate family as defined in Section 2.02 above and including the employee's guardian, daughter-in-law, son-in-law, brother-in-law, sister-in-law, spouse's parent, grandparent, or any relative residing in the household of the employee. Said days of leave for attendance at funerals for members of the immediate family or any relative residing in the household of the employee shall not be charged to sick leave. Employees shall be entitled to two (2) additional days if travel to the funeral is in excess of five hundred (500) one-way miles. Such bereavement leave must be used within six (6) weeks of the date of passing unless approved by the City Administrator. Said approval shall only be given in extenuating circumstances.

RETIREMENT PICK-UP (Tax Deferment on City Contributions)

SECTION 29

29.01 As permitted by the Internal Revenue Service and Ohio Public Employees Retirement System (OPERS), and the Ohio Police and Firemen's Disability and Pension Fund (OPF), the Employer agrees to implement the "salary reduction" method for pension "pick-up". Such plan will take effect upon approval of the pension board and appropriate governmental agencies.

29.02 The employee's gross pay will be reduced by the employee's contribution rate, which amount will be forwarded to OPERS and OPF. Any other deductions will then be made from the reduced salary for that period. The reduced salary shall be the income reported on the employee's W-2 form, thus deferring taxes on the pension contribution, and increasing the employee's take-home pay.

DRUG AND ALCOHOL TESTING

SECTION 30

30.01 Drug/Alcohol screening/testing shall be conducted at any time randomly and at times of pre-employment, annual physical, if given, for reasonable suspicion, or otherwise in accordance with the Drug Free Workplace Policy (DFWP) of the City of Maumee. Under no circumstances may the results of drug/alcohol screening or testing be released without following Federal HIPPA guidelines or court order. This procedure shall not preclude the Employer from other administrative action.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

SECTION 31

31.01 The Employer shall establish an Employee Assistance Program to assist employees in dealing with problems. The Employer agrees to allow rehabilitation of employees who are first time drug and alcohol abusers, only if reasonably practical, and otherwise in accordance with the Drug Free Workplace Policy (DFWP) of the City of Maumee. Employees will not normally be discharged without first being offered the opportunity of receiving treatment for such abuse. If the employee fails to properly and fully participate in and complete a treatment program approved by the Employer or after the completion of such program the employee is still abusing or resumes abusing such substances, the employee shall be disciplined or discharged.

31.02 Employees may voluntarily utilize this program with or without referral. Such voluntary use shall not be the sole basis for adverse disciplinary action or discrimination in employment. Leaves of abuse without pay may, at the Employer's discretion, be granted in coordination with the EAP where appropriate. All employee dealings with the EAP shall be strictly confidential.

FAMILY & MEDICAL LEAVE ACT

SECTION 32

32.01 The city agrees to be bound by the provisions of the Family & Medical Leave Act of 1993 as amended. If an employee requests and takes FMLA leave and/or the City of Maumee determines the leave as requested meets the requirements under FMLA, based upon the qualifying reason for the leave any accrued sick hours, paid vacation, or personal time will be applied to the FMLA leave period until such paid leave time is exhausted, as provided herein. The Employee may request that accrued compensatory time also be paid during their FMLA leave period. The remainder, if any, of the FMLA leave period will be unpaid. If FMLA is utilized by any employee within six months of their resignation and/or retirement, all other accrued compensatory, personal, vacation, and sick leave time must be used first and in the preceding order.

EDUCATION AND TRAINING

SECTION 33

33.01 An employee may request or be directed to obtain training and/or professional certifications relative to performance of city job duties. Tuition reimbursement shall be authorized in advance of registration by the City Administrator if it is determined that such additional training will be of sufficient benefit to the city. Effective January 1, 2021, the maximum annual tuition reimbursement is \$8,500 and is considered taxable if the benefit exceeds \$5,250 as per Internal Revenue Service (IRS) guideline.

33.02 In order to qualify for tuition reimbursement, the employee must have prior written approval of the City Administrator, submit evidence of successfully completing the class and/or training with a grade of 80% or higher for undergraduate work, 90% or higher for graduate work, and 95% or higher for post graduate work and/or its equivalent and submit a statement or invoice of the tuition or certification fees with proof of payment.

33.03 If an employee is paid education/training reimbursement, the employee must remain employed for a minimum of four (4) years after the fees have been paid or the employee shall reimburse the city for the fees.

DURATION, REPEAL, AND CONFLICTS

SECTION 34

34.01 Any ordinance, resolution, or part thereof pertaining to the subjects treated in this ordinance and which are inconsistent with said ordinance, are hereby repealed to the extent so inconsistent. Changes to this ordinance may be made by the City Administrator for the purposes of clarification, consistency, reclassification, and/or correction.

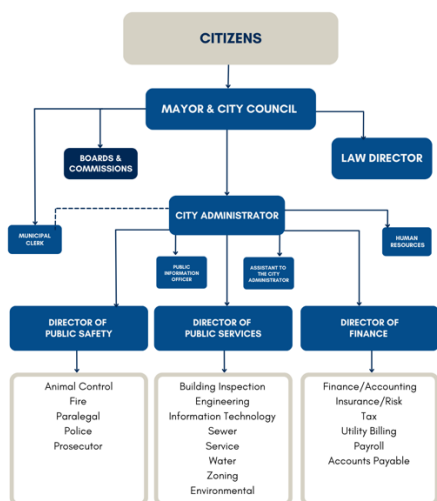

34.02 This ordinance supersedes, cancels, and repeals all previous methods of calculating compensation; verbal, written, or based on alleged past practices between the city and its employees, or representatives of employees, and constitutes the entire method for calculation of employee compensation.

34.03 If any provision of this ordinance, or any application of the provisions of this ordinance, conflict with federal or state laws or rulings, now or hereafter enacted or issued, such provi-

sions or applications shall be inoperative; however, the remaining provisions hereof shall remain in effect.

SECTION 35 City Organizational Chart

The purpose of this chart is to clearly outline the reporting structure within the City of Maumee organization and indicates the relationships shared between individual positions and aids in the proper delegation of tasks, responsibilities, and workload within our city.

Supervisory authority, discipline and termination

The above organizational chart depicts the chain of supervisory authority and further illustrates lines of authority within the City

We learn a lot about a City’s reporting and authority relationships by reviewing its organization chart. To whom does a particular person report? Does each person report to one or more supervisors? How many people does a manager supervise? The above City of Maumee organizational chart depicts these relationships, chain of authority, and how decisions are made by holding those higher within the structure more accountable to administration and to elected officials.

The City Administrator as the Chief Administrative Officer shall be directly supervised by the Mayor and indirectly by the City Council. The Law Director reports directly to the Mayor and City Council, while Directors report to the City Administrator. Supervisors report to Directors and this structure follows in the similar manner throughout the organization. When acting at the direction of the City Administrator, the Assistant to the City Administrator shall have the same supervisory authority as the Administrator except for authority over Directors. This structure also delineates a summary path of how the discipline is carried out and by whom. Discipline up to and including termination may be initiated and concluded by Directors and/or the City Administrator; or the Mayor and City Council in the case of the Administrator.
