

Sediment and Erosion Control Standards

Required SWP3 Language

In addition to the requirements of Chapter 937 of the Maumee Codified Ordinance, the following statements will be required for approval of any SWP3:

- A copy of all EPA inspection log sheets shall be forwarded to the City of Maumee upon completion of each inspection. Inspection logs shall be electronically filed no later than EOD Monday following inspection at mmiles@maumee.org or via SWPPTrack.
- The City of Maumee requires that the design engineer, developer and/or property owner, and SWP3 inspector meet with site plan reviewers for a pre-construction meeting 5-10 days prior to commencing construction operations. This meeting can be scheduled by calling Matt Miles at 419-897-7153 or emailing mmiles@maumee.org
